

**REMARKS**

This Supplemental Amendment is filed to present additional new claim 15, which is directed to a method for producing the heavy chain immunoglobulins of the invention in the cytoplasm of a plant cell in a plant. Support for this claim may be found at the very least at page 17, lines 7-14, page 18, lines 15-18 and at page 19, lines 25-32, which makes it clear that no specific targeting sequence is required for expression of the heavy chain antibodies in the cytoplasm. No prohibited new matter has been added by way of this amendment. Claim 14 has been canceled. Claims 8 and 10-13 have been withdrawn from consideration. Accordingly, claims 1-7, 9 and 15 are now under examination.

Except for issue fees payable under 37 CFR §1.18, the commissioner is hereby authorized by this paper to charge any additional fees during the pendency of this application including fees due under 37 CFR §1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account 50-0310. This paragraph is intended to be a **CONSTRUCTIVE PETITION FOR EXTENSION OF TIME** in accordance with 37 CFR §1.136(a)(3).

If the Examiner has any further questions relating to this Amendment or to the application in general, she is respectfully requested to contact the undersigned by telephone so that allowance of the present application may be expedited.

Respectfully submitted
